

Proximo™ Starter Kit

K39565EU

Product Description

Every 3.5 seconds, a mobile phone is lost or stolen. When you consider the threat to your sensitive data, your downtime and the cost of recovering your phone, you'll understand exactly why we developed Proximo™. Proximo is an App-enabled proximity monitoring system that lets you know where your iPhone, keys and valuables are at all times. With Proximo, you'll never have to worry again about leaving your iPhone and valuables behind. That's because Proximo helps you Keep, Track and Get Back your iPhone and valuables.

Features
